PERFECT FREEDOM FROM COUGHS IN TEN MINUTES.

Instant relief and a rapid cure of

ASTHMA AND CONSUMPTION, COUGHS, COLDS,

And all disorders of the Breath and Lungs, are insured by

DR. LOCOCK'S PULMONIC WAFERS,

The truly wonderful powers of this remedy have called forth testimonials from all ranks of society, in all quarters of the world.

Important Testimonial.

From the Rev. Owen Thomas, Holyhead.

Dear Sir,—Dr. Locock's Wafers do a great deal of good to my voice. I got a bad cold from a damp bed about thirty five years ago, and my voice was very bad ever since, giving great pain to me when preaching or singing—and I am very fond of singing.

I used many different medicines, and some of them did good for a little time; but Dr. Locock's is the best of all—it clears my voice, and stops the coughing instantly. I have never found anything yet to compare with it.

I have been 33 years a Wesleyan minister, and all the Wesleyan Methodists in the principality know me; twenty years of which I have lived at Holyhead; and I am known personally to all the first men of that body, many of whom have admired the effects of the Wafers in clearing the voice and stopping the cough—they never got such medicine before. My wife, ever since Christmas, has been very well after taking two boxes. I am a witness of their power to stop a frightful fit of coughing in an instant.

I, as a Wesleyan preacher, call upon all preachers and singers of every denomination to take these wafers for improving the voice and curing coughs.

You may publish my testimonial for the excellent Wafers if you wish. I am, yours truly,

OWEN THOMAS.

Another cure of a 14 years Asthmatic Cough, in Hull.

From Mr. Edward Preston, Coal-merchant, Paragon-street, April 6th, 1847.

Sir,—Grateful for the relief my wife has experienced by the use of Locock's Pulmonic Wafers, from a distressing asthmatic cough, with which she was afflicted for the last 14 years, I feel a great desire that her surprising cure should be made known for the benefit of those suffering as she did. E. PRESTON.

Important to all who Sing.

From S. Pearsall, Esq., Her Majesty's Concerts, and Vicar Choral of Litchfield Cathedral, Litchfield, July 10th, 1845.

Gentlemen.—A lady of distinction, having pointed out to me the qualities of Dr. Locock's Wafers, I was induced to make a trial of a box, and from this trial I am happy to give my testimonial in their favour. I find by allowing a few of the wafers (taken in the course of the day) to gradually dissolve in the mouth, my voice becomes bright and clear, and the tone full and distinct.

They are decidedly the most efficacious of any I have ever used.

S. PEARSALL.
